

# Priorities

Continued from page 1

- Increasing the agricultural minimum wage tax credit will help offset increased labor costs on farms and help them better compete with farms in neighboring states.
- Support for funding of Environmental Protection Fund programs that provide cost-sharing of critical farm water quality and farmland protection projects that allow farms to reinvest in their farm business.
- Cornell CALS Faculty Seed Fund (\$2 million)  
Seed funding will help to pave the way to attracting much needed faculty and research at CALS.
- Cornell CALS Capital Fund (\$3 million)  
This funding will provide the opportunity to update critical infrastructure at CALS to ensure continuing research and extension work vital to New York's agricultural products.
- Oppose unworkable farm labor mandates and make much needed updates and reforms to New York State labor laws and regulations.
- Oppose the farm worker labor omnibus legislation and components thereof.
- Update housing payroll allowances and peg annual increases to inflation.
- Remove the requirement that farm employers pay unemployment insurance on H2A workers.

- Extend the time for responding to unemployment insurance requests for information from 7 to 14 days.
- Transfer farm tax assessment functions from the Department of Taxation and Finance to the Department of Agriculture and Markets.
- Increase school meal reimbursements to incentivize the purchase of fresh and minimally processed local food.
- Allow for the registration of UTV's for legal travel on roads from farm to field.
- Increase funding for tick-borne disease enhanced detections and vaccine development.
- Support the removal of an acreage requirement for farms in the agricultural assessment program as long as they meet income eligibility requirements.

Farm Bureau, and the "Bottle Grab" raffle grand prize went to Rodney Anderson from Long Island. Rodney also was lucky enough to pick a bottle with a dot that entitled him to another bottle. Our biggest bottle dot winner was John Wagner, who left the auction with five great bottles of New York wine.  
These State Annual Meeting events brought in funds that will provide more tools and resources to promote and educate about the agricultural industry. The proceeds from the live and silent auction plus the bottle grab raffle will definitely provide needed support to continue our success stories. Special thanks to our official Foundation Auctioneer, Bill Magee, who again did a masterful job as the music of his bidding chant enhanced the process.

County; District 7 – Ted and Hibby Greenwood, St. Lawrence County and District 9 – Jaclyn Kimmes, Sullivan County. The committee members will join: District 2 – Leslie Hamilton, Livingston County; District 4 – Jeff Benjamin, Chemung County; District 6 – Devon and Erica Shelmidine, Jefferson County; District 8 – Paul and Caitlin Molesky, Rensselaer County and District 10 – John Kelder, Ulster County. Kassi Hetherly, Albany County; Christine Hudson, Onondaga County; and Alex and Rebecca Johnk, Greene County will serve as At-Large committee members.  
The committee is excited to have such a great group of young dedicated agriculturalists to carry out programs and activities for young farmers across the state this coming year.

# Food Banks

donations will qualify for a small tax credit of up to \$5,000 of the price of donated food to offset a portion of the costs to pick, package and deliver the fresh produce to regional food banks and pantries. This is a result of the passage of the Farm

to Food Bank Bill that New York Farm Bureau and the Food Bank Association advocated for, which was included in the 2017-18 New York State Budget.  
"The longstanding and committed partnership between New York Farm Bureau and local food banks has produced remarkable results," said Anita Paley, executive director of the Food Bank Association of New York State.
